

棕榈粕 PALM KERNEL EXPELLER (PKE)

产品介绍 About the Product

Palm Kernel Expeller (PKE) is a by-product of the palm oil extraction process from the fruit of the palm. 棕榈粕是棕榈果实提取棕榈油的副产品。

PKE is a quality stock feed containing high levels of crude protein and medium energy levels. It is completely safe to feed as a supplement for most classes of livestock. PKE是一种含有高量的粗蛋白质和足够能量的优质饲料。作为大多数牲畜的补充饲料是完全安全的。

PKE is ideally suited to feeding in conjunction with high energy feeds such as maize silage or molasses. PKE非常适合与高能量饲料如玉米青贮或糖蜜一起饲喂。
